

Associate - Civil Engineering – Queenstown

"I'm working as an Associate - Civil Engineering for AR & Associates in beautiful Queenstown. I lead a professional team who pride themselves on excellence and delivering exceptional outcomes for our clients. The experience is enriching from both a career and personal point of view as AR & Associates recognise the importance of a balanced professional and personal life and encourage this through a culture of trust and a friendly and flexible approach to work. I'm loving the new challenge!"

AR & Associates is a high-end multidisciplinary planning, surveying, and civil and environmental engineering design consultancy, firmly founded on our core values of **excellence, integrity, balance and respect**. We offer an integrated approach to ensure that the various facets of our work are coordinated to achieve sustainable, technically optimal and cost-efficient solutions.

We're looking for an experienced and dynamic Civil Engineer, with an exceptional set of technical skills and who thrives in providing excellent service leading a focused team. Reporting directly to our Senior Associate, you will be CPEng qualified (or equivalent) with solid skills across the planning, design and implementation of civil engineering projects gained over your 15+ year professional career.

The focus of the role will be providing high quality design, construction supervision, contract administration and project management for a wide range of private and public sector engineering projects, in the areas of earthworks, roading and 3 waters infrastructure design, and with a strong focus on Water Sensitive Urban Design. In addition, your proven soft skills in the areas of leadership, communication, negotiation and client service will be key attributes required to lead, mentor and support the team, while managing client delivery responsibilities, relationships and expectations.

If you're looking for a positive change in your career, thrive on providing high quality work and would like the opportunity to enjoy work life balance in an unequalled location – then this could be your next move.

If you believe you have what it takes to join the team, please send your CV and covering letter to ARAssociates.HR@arassociates.co.nz.
